Aeroskills Industry Immersion Activity Record

MEA20418 Certificate II in Aeroskills - SA Funded High School Programme

Purpose Use this form to record a relevant aviation, aircraft maintenance, engineering or similar industry activity completed before enrolment. Your school may include this record, together with supporting evidence, as part of the VETRO referral process.

Important The activity should help you understand the work, workplace expectations, safety and skills used in the industry. Flight One School of Engineering will determine whether the evidence is suitable for the Aeroskills pathway.

1. Student and activity details

Student full name

School

Year level

Date of activity

Organisation / employer

Industry contact person

Contact email / phone

Approximate duration

Type of activity (tick one or more):

- ☐ Workplace / hangar visit or tour
- ☐ Interview / discussion with an aviation worker
- ☐ Work experience / job shadowing / volunteering
- ☐ Employer / aviation industry event or career activity
- ☐ Relevant VET taster / short course
- ☐ Other relevant industry activity

If other, briefly describe:

2. What did you learn?

Answer briefly in your own words. Short answers are fine.

1. What does the organisation or worker you met do in the aviation / engineering industry?

2. List two or three jobs or tasks you learned about.

3. What safety rules, PPE or workplace behaviours did you notice or discuss?

2. What did you learn? - continued

4. What practical, technical or personal skills are important for an Aircraft Maintenance Engineer or apprentice?

5. What did you learn about the working environment, hours, teamwork or responsibilities?

6. What training or qualifications may be needed to enter this type of work?

7. After completing this activity, are you still interested in studying Aeroskills? Explain briefly.

3. Evidence / confirmation

Attach or provide at least one form of evidence where available. This may be an employer email or letter, school confirmation, event attendance evidence, work-experience paperwork, or another suitable record of the activity.

Evidence supplied (tick any that apply):

- ☐ Employer / industry email or letter
- ☐ School confirmation
- ☐ Event / attendance evidence
- ☐ Work-experience paperwork
- ☐ Other supporting evidence

Other evidence (if applicable):

Confirmation: This section may be completed by the employer / industry contact or a school representative who can confirm the activity occurred.

Person confirming activity

Role / organisation

Email / phone

Date

Signature (optional if printed)

Typed confirmation / note (optional)

School confirmation (if used instead of employer confirmation): The school confirms that the student completed the activity described in this form and that it was relevant to preparation for the Aeroskills VET pathway.
